

# Chapter 7

## Plan for Implementation of State of Texas Assessments of Academic Readiness (STAAR) Assessment Graduation Requirements

State legislation phases out the current high school Texas Assessment of Knowledge and Skills (TAKS) assessments (grade 9 through exit level) and replaces them with end-of-course (EOC) assessments beginning in the 2011–2012 school year. Students first enrolled in grade 9 or below in the 2011–2012 school year will be required to take the STAAR EOC assessments as part of their graduation requirement and will no longer take high school TAKS. The chart below illustrates the plan for the phase-out of high school TAKS and the phase-in of STAAR EOC assessments.

### Phase-Out TAKS and Phase-In STAAR EOC

	2009–2010	2010–2011	2011–2012	2012–2013	2013–2014	2014–2015
Grade 9	TAKS					
Grade 10	TAKS	TAKS	TAKS	STAAR EOC	STAAR EOC	STAAR EOC
Grade 11	TAKS	TAKS	TAKS	TAKS	STAAR EOC	STAAR EOC
Grade 12	TAKS*	TAKS*	TAKS*	TAKS*	TAKS*	STAAR EOC or TAKS*

\*Out-of-school testers and 12<sup>th</sup> grade re-testers

With the passage of House Bill (HB) 3, the relationship between high school courses, STAAR EOC assessments, and performance on those assessments is now linked to a student’s graduation program. This section provides information regarding the phase-out of high school TAKS as the assessment graduation requirement and about the relationship between the courses, the assessments, and graduation programs.

### STAAR Graduation Requirements

The following provisions have been mandated by current state legislation.

- The cumulative score requirement is based on the number of courses taken for which a STAAR EOC assessment exists.
- For the Recommended High School Program (RHSP), students must meet the satisfactory performance standard on the Algebra II and English III assessments in addition to the cumulative score requirement.

- For the Dis

2010 World Geography	Percent Meeting Standard	Percent Meeting Standard	Percent Meeting Standard	Percent Meeting Standard	Percent Meeting Standard	
ALL STUDENTS	89314	55%	41%	27%	15%	4%
AFRICAN-AMERICAN	11564	39%	25%	14%	6%	1%
HISPANIC	40581	44%	29%	17%	7%	1%

## Graduation Requirements Beginning with Freshman in 2011–2012 (MHSP versus RHSP)

Discipline	Minimum HSP	Recommended HSP
English Language Arts ‡	Four credits: • English I, II, and III • English I and II for Speakers of Other Languages may be substituted for English I and II for students with limited English proficiency who are at the beginning or intermediate levels of English language proficiency. • The fourth credit of English may be selected from any of the following: English IV Research/Technical Writing Creative/Imaginative Writing Practical Writing Skills Literary Genres Business English (CTE) Journalism AP English Language Composition AP English Literature and Composition	Four credits: • English I, II, III, and IV • English I and II for Speakers of Other Languages may be substituted for English I and II only for students with limited English proficiency who are at the beginning or intermediate levels of English language proficiency.
Mathematics ‡	Three credits: • Algebra I • Geometry • The third credit may be selected from any of the following: Algebra II Precalculus Mathematical Models with Applications Independent Study in Mathematics AP Statistics AP Calculus AB AP Calculus BC AP Computer Science IB Mathematical Studies Standard Level IB Mathematics Standard Level IB Mathematics Higher Level IB Further Mathematics Standard Level Mathematical Applications in Agriculture, Food, and Natural Resources (CTE) Engineering Mathematics (CTE) Statistics and Risk Management (CTE)	Four credits: • Algebra I • Geometry • Algebra II • The additional credit may be selected from either of the following and must be successfully completed prior to Algebra II: Mathematical Models with Applications Mathematical Applications in Agriculture, Food, and Natural Resources (CTE) The fourth credit may be selected from the following after successful completion of Algebra I, Geometry, and Algebra II: Precalculus Independent Study in Mathematics AP Statistics AP Calculus AB AP Calculus BC AP Computer Science IB Mathematical Studies Standard Level IB Mathematics Standard Level IB Mathematics Higher Level IB Further Mathematics Standard Level Engineering Mathematics (CTE) Statistics and Risk Management (CTE)
Science ‡	Two credits: • Biology • Integrated Physics and Chemistry  May substitute Chemistry or Physics for IPC but must use the other as academic elective credit	Four credits: • Biology, AP Biology, or IB Biology • Chemistry, AP Chemistry, or IB Chemistry • Physics, Principles of Technology, AP Physics, or IB Physics

- The additional credit may be IPC and must be successfully completed prior to chemistry and physics.
- The fourth credit may be selected from any of the following:
  - Aquatic Science
  - Astronomy
  - Earth and Space Science
  - Environmental Systems
  - AP Biology
  - AP Chemistry
  - AP Physics B
  - AP Physics C
  - AP Environmental Science
  - IB Biology
  - IB Chemistry
  - IB Physics

## **Substitute Tests**

HB 3 specifically calls for research studies to be conducted to evaluate the relationship between student performance on the STAAR EOC assessments and student performance on assessments at least as rigorous as the STAAR EOC assessments. These assessments include advanced placement (AP) tests, international baccalaureate (IB)
