Information on obtaining an SAT
fee waiver and other resources

If you're a high school student who lives in the United States or its territories, or who is a U.S. citizen residing outside the U.S., you may be able to receive fee waivers. To be eligible, you must meet at least one of the criteria below:

You're enrolled in or eligible to participate in the federal National School Lunch Program (NSLP).

Your annual family income falls within the Income Eligibility Guidelines set by the USDA Food and Nutrition Service (provided below).

You're enrolled in a federal, state, or local program that aids students from low-income families (e.g., Federal TRIO programs such as Upward Bound).

Your family receives public assistance.

You live in federally subsidized public housing, are in a foster home, or are homeless.

You're a ward of the state or an orphan.

Fee waivers cover more than just the testing fees. When you register for the SAT® or SAT Subject Tests™, the fee waiver will cover:

1. **The registration fee** for the SAT or SAT Subject Tests. (The fee covers the cost of up to three individual SAT Subject Tests taken on a single test day.) You can use a fee waiver for SAT Subject Tests anytime in high school. You need to be in the 11th or 12th grade to use a fee waiver for the SAT.
2. **Four additional score reports**, which you can order at no charge at any time after registering for the test(s), including after you have seen your scores. You're entitled to a total of four such reports regardless of how many fee waivers you use.
3. **Question-and-Answer Service (QAS) or Student Answer Service (SAS)** if ordered at the time of registration. These two services give you more information about the types of test questions and how you answered them. (QAS and SAS aren't available for SAT Subject Tests.)
4. **Up to four College Application Fee Waivers**, as explained later in this pamphlet.
5. **Coverage of the Non-U.S. Regional Fee** for students testing internationally.
6. **Up to eight CSS/Financial Aid PROFILE®** fee waivers to use to apply online for nonfederal financial aid. Learn more at [collegeboard.org/financialaid](#).

See your school counselor or agency official to get a waiver. If you're a homeschooled student, you'll need to provide proof of eligibility (tax records, public assistance records, or record of enrollment in an aid program) to a high school counselor in your area.

Once your counselor determines that you're eligible, you can receive up to four fee waiver cards. **You're eligible for two SAT registrations and two SAT Subject Test registrations.** (For example, you can't use three fee waivers for the SAT and one for SAT Subject Tests.)
